Table par 6

A 5x2 grid containing multiplication problems by 6. The grid is overlaid on a cartoon illustration of a dinosaur and a cavewoman. The multiplication problems are:

6×5	6×3
6×1	6×8
6×7	6×10
6×9	6×4
6×6	6×2

The cartoon illustration shows a cavewoman on the left and a dinosaur on the right. The cavewoman is holding a spear and looking towards the dinosaur. The dinosaur is wearing a hat and a necklace, and is holding a large bone. There are some puddles on the ground and a small cloud of dust or smoke near the bottom right.
