

## Hello to everyone at Saint-Félix!

**E**xcalibur Primary School is situated in Alsager – a town in a county\* called Cheshire which is in the north-west of England. It is a small town (more like a village) with approximately 13000 inhabitants. The largest nearby\* city is that of Stoke-on-Trent.

**I**n the town, there are a post office, several banks, a bakery, a butcher's, many shops, a war\* memorial, a hairdresser's\*, three churches\*, five schools, two small supermarkets, some restaurants (Chinese, Italian, Indian and Mexican plus English!), many pubs\* and a lake.

**I**n our school, there are about two hundred pupils in seven classes. Each class has approximately 30 pupils. We have an ICT suite which contains 16 computers and the school library\*. Also, we have a school hall which contains a piano and lots of musical instruments. This is where we have music lessons and eat our lunch\* at lunch time.

**I**n the playground\*, there is a shed\* which contains lots of equipment for us to play with such as: balls, tennis rackets... We also have two climbing frames\* – which we are allowed to play on in the summertime\* when it is not wet\*. In the playground, we have lines drawn on the floor for us to play football.

**Y**ou may visit our school website to find out some more information. <http://clc2.uniservity.com/Grouphomepage.asp?GroupId=20041426>

**W**e hope you are all well\*.
